

JULY 2016

Warrior Golf Properties

The Fourth at Reems

Celebrating Independence Day on the course is a must for any golf enthusiast. Reems Creek celebrated by hosting a Four Person Scramble including buffet lunch, tournament golf and prizes for winning teams. The event was an early success, gathering traction from Facebook marketing and counter sales from our Pro Shop.

A Great Time - Craig Faircloth, June 25, 2016.

Reems Creek Golf Club

Reems Creek is performing above and beyond its projected sales goals. Expenses have decreased significantly and with this stability, Reems is expected to exceed a \$100,000 net profit by the end of the year.

With new tournaments happening monthly and fresh events to engage members and public golfers alike, Reems Creek is a great example of engaging local golfers to come out and play. This past June, Reems hosted a highly successful Father's Day Scramble and a TGIF event on June 24 to celebrate the last Friday of every month. This outing was followed by a successful Fourth of July Four Person Scramble that hosted 60 golfers and several spectators.

Under the supervision of general manager Hartwell Baker, who has consistently sold membership packages, and superintendent Dave L'Italien, who is currently looking for a protege, Reems Creek has performed above projections.

Positive Reviews

Since November of 2015, Reems Creek has received a remarkable amount of positive feedback. With a bevy of five star reviews on Facebook, the community has boosted the club's overall rating. These reviews are critical in promoting foot traffic and conducting online research for preferred courses. Staff has been vigilant in responding to this feedback and promoting the positive review of the course.
