A New Face in Ocala

We are excited to introduce new Superintendent Bruce Tucker to our Ocala properties. Bruce is a Florida native and has worked internationally on tropical courses, perfecting his turf management craft in the most extreme heat conditions. He comes highly recommended from his peers and hope to breathe new life into the Ocala properties.

Texas Pride

In the wake of the tragedy in Dallas, The Club at Runaway Bay hosted a Texas Pride night, highlighting what it means to be a Texan through some scrumptious smoked BBQ, drink specials, and a radio sponsorship. We saw an increase in Junior Memberships and Player Card Sales.

Nichole and Derek Winn

It was with great pride that The Club at Runaway Bay hosted the wedding of Nichole and Derek Winn. This was the first big event for the new management team of Tom Lewis and Brittany Wilhoit and the results were nothing short of magical.

Despite some weather challenges and some technical trouble, the wedding commenced and became a beacon of new success for the Club. Brittany and Tom have capitalized on the success the Winn wedding has brought and used it to connect with local wedding vendors including J. Bailey Photography, and Wonderlight Wedding Video.

Using these connections, we anticipate a boost in wedding and event sales by using their products as advertisements for the Bay as a premiere wedding venue in Northern Texas.
